The net balance of the society increased by $12,752.91 during the annual period of this report; FASS has not invoiced SPSS for the Page and Time Charges (~2000) so the increase is larger than it would have been.

A ballot election was conducted of the voting members and Omar Gutierrez, Huvepharma, was elected as 2nd Vice President.

VII. There were no items of Old Business.
IX. There were three items of New Business
- Two new graduate student travel awards were announced. These are sponsored by United Soybean Board on behalf of Soybean Mean INFOcenter and are for $500. The two that were awarded this year were picked by the SPSS Board and Philip Lobo (for USB). For future awards, criteria will be developed and posted by March, 2014, so that scientists can plan research on soybean in diets strategically if they choose. To be considered for the awards in 2015, grad students submitting abstracts will be required to indicate this intention on the submission site.
- Two Board items were announced;
  - Increase recognition amount for session chairs and judges to $50.
  - Give Honorable Mention to the best oral and best poster by undergraduates who do not receive the Don Sloan Award itself. The Honorable Mention prizes are $250 each.
- Constitutional editorial changes were introduced, given the radically way in which abstracts are submitted and processed compared to the past. The last Constitutional revisions were made in 2007. The major revisions are shown in Attachment 5 and the revised Constitution will be posted to the website. Because the changes were not provided 30 days before the meeting, a motion was made to suspend the rules and allow the vote to occur at this meeting because these are not substantive changes to the mission and function of the SPSS. The vote was unanimous in favor of suspending the rules and the subsequent vote was also unanimous in favor of the changes.

X. Comments from the Executive Secretary, Mary Beck
- Thanks to everyone for a great meeting; abstract collections were much smoother than last year.
- Attendance as of 10:00 am Tuesday was 1647, some 300 above last year.
- Changes to the submission process next year:
  - Undergrads as well as graduate students will have to designate which of multiple abstracts will be in the Don R. Sloan competition;
  - There will be a button for consideration for the USB travel award;
  - There will be a button to request continuing ed participation certificate.
- Changes to the poster format:
  - Posters cannot exceed 3.5’ in width and 4’ in height in order to fit on the 8’ wide boards.
- Schedule changes for 2015:
  - Every effort will be made to move the Dendy Lecture back to 11:00 and the Business Meetings to noon as in the past.
- SPSS donated $30,414.08 to the Harold Ford Foundation in 2012.

XI. President Watkins made the following closing comments:
January 26-27, 2015 - next IPSF
Abstracts Due: October 15, 2014
Alltech Manuscript Due: November 15, 2014
Next meeting of SPSS: January 27, 2015
Registration will remain the same.

XII. President Watkins turned the meeting over to President-elect Stacey Roberts for adjournment. President Roberts presented Past-president Watkins with her honorary rooster in appreciation for his service to the society.

XIII. It was moved and seconded to adjourn. The vote was unanimous.

Respectfully submitted,
Mary Beck
Executive Secretary
