Pork 101 Education Workshop Offered at 2016 IPPE

WASHINGTON, D.C. – Nov. 16, 2015 – The North American Meat Institute (NAMI) and the American Meat Science Association (AMSA) will jointly host the “Pork 101” education workshop at the 2016 International Production & Processing Expo (IPPE), the world's largest annual meat, poultry and feed industry trade show, scheduled for Jan. 26-28, 2016, at the Georgia World Congress Center in Atlanta, Ga.

The three-hour, hands-on session offers attendees a brief look into AMSA’s three-day Pork 101 Conference. The workshop will address quality and consistency issues in the pork industry, providing insight on the value differences in swine, pork carcasses, pork primals and processed pork products.

The session will feature Davey Griffin, Ph.D., professor and extension meat scientist at Texas A&M University, and Dean Pringle, Ph.D., associate professor and undergraduate advisor at the University of Georgia.

The workshop, which is free to all registered IPPE attendees, will be held from 1 to 4 p.m. on Monday, Jan. 25, 2016. For more information about this session, click [here](#). To register to attend IPPE, visit www.ippexpo.org.

###

ABOUT IPPE

The International Production & Processing Expo (IPPE) is a collaboration of three shows - International Feed Expo, International Meat Expo and the International Poultry Expo - representing the entire chain of protein production and processing. The event is sponsored by the American Feed Industry Association (AFIA), North American Meat Institute (NAMI) and U.S. Poultry & Egg Association (USPOULTRY).

ABOUT AFIA

The American Feed Industry Association (AFIA) is the world’s largest organization devoted exclusively to representing the business, legislative and regulatory interests of the U.S. animal feed industry and its suppliers. AFIA also is the recognized leader on international industry developments. Member-companies

are livestock feed and pet food manufacturers, integrators, pharmaceutical companies, ingredient suppliers, equipment manufacturers and companies which supply other products, services and supplies to feed manufacturers.

ABOUT NAMI

The North American Meat Institute (NAMI) is the leading voice for the meat and poultry industry. Formed from the 2015 merger of the American Meat Institute (AMI) and North American Meat Association (NAMA), the Institute has a rich, century-long history and provides essential member services including legislative, regulatory, scientific, international and public affairs representation. NAMI's mission is to shape a public policy environment in which the meat and poultry industry can produce wholesome products safely, efficiently and profitably. Together, the Institute's members produce the vast majority of U.S. beef, pork, lamb and poultry and the equipment, ingredients and services needed for the highest quality products.

ABOUT USPOULTRY

U.S. Poultry & Egg Association (USPOULTRY) is the all-feather organization representing the complete spectrum of today's poultry industry, whose mission is to progressively serve member companies through research, education, communication and technical assistance. Founded in 1947, USPOULTRY is based in Tucker, Ga.
