

# PRESTIVET

## NATURAL SUPPLEMENTS FOR ANIMALS

VISIT US AT IPPE IN ATLANTA | January 27 - 29, 2026

Booth: A2954

## Who we are?

PRESTIVET is a brand of EKSPOL S.A., a manufacturer and international distributor of natural feed additives for animals. Our products are developed in cooperation with leading veterinarians and based on the latest scientific knowledge.

## What we do?

We create high-quality supplements for animals, made primarily from herbal extracts and essential oils, as well as vitamins, amino acids, and other ingredients that support health, immunity, and performance. Our solutions promote eco-friendly animal production, helping prevent and manage common health challenges in a safe and natural way.

## Why choose us?

- 25+ years of experience
- Scientific development & laboratory testing
- Premium natural ingredients
- Proven efficacy
- Tailor-made formulations
