

February 2019

Adisseo at the International Production and Processing Expo 2019

ALPHARETTA, GEORGIA— Adisseo INC. will be hosting two booths located at **A737** and **A1023** at the annual International Production and Processing Expo (IPPE). Stop by to speak with experts on Adisseo's 5 areas of expertise: Animal Nutrition, Digestive Performance, Mycotoxin Management Programs, and Palatability.

Events during the week:

Stop by for a complementary visit in two of our massage chairs. Sign up every morning during the expo at booth **A1023** for your time slot!

Wednesday, February 13

The annual Wine and Cheese event, where attendees are invited to drink delicious wine (must be 21 or older) and sample cheeses from across the world. Stay tuned for an exciting announcement about a new product to the US market!

About Adisseo

Adisseo is one of the world's leading experts in feed additives. The group relies on its 11 research centers and its production sites based in Europe, USA and China to design, produce and market nutritional solutions for sustainable animal feed.

With more than 2,100 employees, it serves around 3,500 customers in over 100 different countries through its global distribution network.

Adisseo is one of the main subsidiaries of China National BlueStar, leader in the Chinese chemical industry with nearly 23,000 employees and a turnover of 6,4 billion euros. Adisseo is listed on the Shanghai Stock Exchange.
