Marel is the leading global provider of advanced processing systems and services to the Poultry and Meat industries. We offer the convenience of a single source to meet every need. Our state-of-the-art equipment and systems help food processors of all sizes, in all markets, to operate at peak productivity.

Our team is comprised of approximately 4,700 employees worldwide, offices and subsidiaries in 30 countries across six continents, and a network of more than 100 agents and distributors.

Over the years, a number of brands, Stork, Townsend, Delford, Scanvaegt and more, have come together to make Marel what it is today. Most recently MPS has joined with Marel to become a global leader of full line solutions for the meat industry. We have now combined all the brands into one, to make a stronger partner for our customers.

Join us at booth B 4321 to learn more about the solutions and systems that will help you meet your goals.
