## PREMIUMFLOOR NEWS

### PREMIUM poultry slat universal

PREMIUMFLOOR has extended their range of products by a universal poultry slat for ducks, geese, doves, turkey and hens. The new plastic panel is 600 mm (23 5/8") wide and 800 mm (31 1/2") long. It distinguishes itself by a slip-proof and clean surface, ultimate stability and a very good support of the animals' feet. Panels can be removed individually. Cuttable every 10 cm (3 15/16") for waste-free installation. High load capacity and long useful life.
