## **Project: NEW Cooperative Swine Feed Mill Rowan, Iowa**

Younglove Construction, L.L.C., of Sioux City, Iowa, provided engineering, design, and construction services to NEW Cooperative for their swine feed mill in Rowan, Iowa. Key features include:

- 1,902 tons of ingredient storage in 22 bins
- Two hammermill grinding systems (each at 35 to 44 tons per hour) and one rollermill grinding system (at 36 tons per hour)
- Twin 40-ton-per-hour pelleting lines
- Dual finished feed loadout driveway and 2,288 tons of finished feed storage in 20 bins

Providing outstanding commitment to service and quality for more than 120 years, Younglove Construction is the premier builder of agricultural and food industry facilities. Younglove's experienced and dedicated team of designers, engineers, project managers, and workers builds enduring value and trust through continuous process improvement based on safety and quality, resulting in outstanding customer satisfaction.

Younglove Construction, L.L.C.
