

This month's 2024 International Production & Processing Expo (IPPE) exhibitor newsletter contains information on the following topics:

- Show floor segmentation
- Exhibit space sales
- Exhibitor Advisory Committee Webinar & PowerPoint Presentation

---

## Four Halls for 2024

**HALL A** – Animal Feed Ingredients & Equipment, Animal Health, Rendering

**HALLS B/BC/C** – Animal Health, Egg Production & Processing, Genetics, Incubation, Live Production (Growout), Food Safety, Worker Safety, Meat & Poultry Processing & Packaging, Rendering

Industry segments will be outlined and labeled on the floor plans.

---

## Exhibit Space Sales

The booth selection appointment schedule will be emailed to all 2023 IPPE exhibitors on April 21. New floor plans will also be made available online for review and pre-planning on April 26, on the IPPE [website](#), under the Exhibitors tab.

Booth selection for the 2024 IPPE will begin **May 1** and continue through mid-June in seniority (tenure) order highest to lowest seniority. An email with the booth selection date, time and link will be sent to primary booth contacts on April 21. The selection link will remain inactive until the precise date and time of booth selection. A reminder email will be sent one business day before the booth selection appointment.

Contact [Anne Sculthorpe](#) should you have questions regarding IPPE show [terms and conditions](#).

---

## Exhibitor Advisory Committee Webinar Recording & Presentation

IPPE would like to thank everyone who attended the Exhibitor Advisory Committee (EAC) webinar on March 16. The following are links to the webinar and to the EAC PowerPoint presentation.
