

This month's 2024 International Production & Processing Expo (IPPE) exhibitor newsletter contains information on booth sales, registration and housing.

2024 Booth Sales

Booth selection for the 2024 IPPE began May 1 and will continue through mid-June in seniority (tenure) order, highest to lowest seniority. General booth sales open June 12 for new exhibitors. The 2024 IPPE floorplan can be viewed by clicking [here](#).

Register and Reserve Housing

As a valued supporter of our event, IPPE wants to make sure you and your team do not have any difficulty securing rooms at the IPPE discounted rate.

The housing portal allows exhibitors to request hotel blocks. Seniority housing will open on July 31 to IPPE's most senior exhibitors, then every two weeks after that based on seniority. The registration portal will open on Monday, October 2. At this time, you can register your booth staff, send an invitation to your customers that you placed in the room block so they can register themselves, or send them your company's unique promo code to register themselves. Please contact [Robin Hughes](#) for your company's unique promo code for the 2024 IPPE.

Beware that there are housing pirates/poachers that are sending emails. Those emails ARE NOT from IPPE's approved housing service provider, Maritz Global Events, and you bear the risk of booking with anyone other than Maritz Global Events.

You may find your hotel seniority in your Map Your Show [dashboard's](#) Company Information tile. Also, be sure your housing contact is updated in your Map Your Show exhibitor dashboard record.
