ABOUT IPPE

The International Production & Processing Expo (IPPE) is a collaboration of three shows - International Feed Expo, International Meat Expo and the International Poultry Expo - representing the entire chain of protein production and processing. The event is sponsored by the American Feed Industry Association (AFIA), North American Meat Institute (NAMI) and U.S. Poultry & Egg Association (USPOULTRY).

AFIA members manufacture more than 75% of the feed and 70% of the non-grain ingredients used in the country. AFIA is also recognized as the leader on

international industry developments and holds membership in the International Feed Industry Federation (IFIF).
