#### LYON BEAK TRIMMERS AND ACCESSORIES

Pixon Company is proud to be the only authorized manufacturer and seller of the famed Lyon Beak Trimmers used in thousands of farms around the world, thus continuing to offer the same quality Lyon Technologies was known for over a 100 years, with units continuously operating in the field for many years.

Our company is made up of former Lyon employees who know the industry well and have developed long lasting relationships with Lyon users and distributors.

Please stop by our Booth B23062. I Will be delighted to say hello.
