

**IRVINE, CA – May 9, 2023** – Prudential Overall Supply, an industry leader in reusable image work apparel and related textiles, achieves ISO 9001:2015 certification for all of its operating units (Cleanroom and Industrial), distribution center and its corporate services locations through TUV SUD America, Inc.

The certification identifies that Prudential has implemented a Quality Management System in accordance with: ISO 9001:2015.

The scope of this Quality Management System includes providing cleanroom apparel and other contamination control products and laundering services for garments used in controlled environments and industrial apparel and other ancillary products for use in industrial applications.

“The entire organization is extremely proud of our ISO 9001:2015 certification for all operating units. We believe that we are the first national brand in our industry to accomplish this milestone,” states, Prudential CEO, John Clark.

Mr. Clark continues, “This achievement demonstrates Prudential’s ongoing commitment to providing Best-in-Class quality products and services. It is through the efforts of our dedicated team that makes this all possible.”

### **About Prudential Overall Supply**

Family owned and operated since 1932, Prudential Overall Supply is committed to enhancing our customers’ image at the best dollar value. By providing premium quality work wear and safety uniforms, career apparel and casual wear, cleanroom garments and related services, Prudential can outfit entire organizations. This certified Clean Green, ISO 9001:2015, on-time, weekly service also addresses facility image and safety requirements by offering floor mats, wiping towels and facility products throughout the United States.
