

## **ADM to Exhibit and Present at IPPE**

CHICAGO, January 19, 2022 — ADM (NYSE: ADM), a global leader in human and animal nutrition, is an exhibitor at IPPE in Hall B, booth 7679. In this space, visitors will find innovative animal nutrition solutions provided by ADM; Pancosma, ADM's feed additives and ingredients business celebrating its 75<sup>th</sup> anniversary; and Wisium, ADM's premix feed and nutritional services business.

Highlights will include:

- Feed additives/medications to reduce risk of pathogens such as *Salmonella*, necrotic enteritis and coccidiosis in broilers.
- Feed additives to improve laying hen performance.
- Nutrition solutions and services to improve animal health and welfare while encouraging responsible animal medication activities in poultry and livestock production.
- Nutrition solutions to enhance productivity and profitability while mitigating environmental impacts.

Additionally, ADM's poultry experts will present a Tech Talk on the topic of reducing the risk of *Salmonella* in broilers for food safety intervention. Mark your calendars for 10:30 a.m. on Tuesday, Jan. 25, to attend this fascinating discussion in Hall B, booth 8579.

To schedule a time to visit the ADM booth and learn more about monogastric nutrition solutions, services and the impact of the latest scientific discoveries, contact Aurelie Giles at [aurelie.giles@adm.com](mailto:aurelie.giles@adm.com).
