About Hantover

For over **80 years**, Hantover has been a dependable, knowledgeable partner to the food production industry. It started with Phil and Leonard Hantover's belief that it could be done better. And, often, better means finding a new way to get it done.

Your focus is on production. Our focus is on meeting your needs. We listen, we observe, and we apply our expertise to deliver you the most value. This attitude has garnered Hantover multiple **Supplier Of The Year awards**.

**When others can't or won't step up -
Hantover delivers.**
