

HealthTech® is proud to introduce the Walletz4U® brand of disposable gloves to the International Production & Processing community.

Healthtech® is the U.S. Brand Partner, Authorized Dealer, and Stocking Distributor of SRAM & MRAM Group, the largest OEM Manufacturer of disposable gloves in the world and owner of the Walletz4U® brand, specializing in sterile and non-sterile nitrile, latex, blended and vinyl gloves for the food processing and handling, retail and medical markets worldwide.

Gloves are an important part of safe, healthy practices across many industries. HealthTech® and Walletz4U® are committed to being a reliable partner of production and processing companies with the best quality disposable gloves at fair and affordable prices. We have a ready and stable domestic supply as well as volume production capacity in support of corporate safety initiatives.

Please visit us at Booth #BC981 to allow us an opportunity to discuss your needs; from one case to one pallet, truckload, or a production run. No order is too small or too large!
