NIACET AT THE INTERNATIONAL PRODUCTION & PROCESSING EXPO

AMHERST, New York—Niacet Corporation, the global leader in salts of acetic and propionic acid serving the food, pharmaceutical, animal nutrition, and technical market sectors, will be attending the International Production & Processing Expo (IPPE) in 2020 on January 28-30.

IPPE is touted as the world's largest annual poultry, meat and feed industry event of its kind and Niacet will be in attendance. Join members of the Niacet team at booth B7874 during IPPE 2020 at the Georgia World Congress Center in Atlanta, Georgia to learn more about our Provian range and our innovations in feed preservation.

In addition to Niacet’s booth in B Hall, Eelco Heintz (Niacet’s Innovation Manager) will be part of IPPE’s TECHTalks program. Join him at 10:30 am January 28 in Hall C-C9249 for his presentation on Improved Food Safety & Microbial Control using Vinegar-based Ingredients.
