

ORKA Launches "Egg Tester Plus™!"

--- Will be demonstrating at IPPE 2023 (Booth No: B-7348) at Atlanta ---

EggTester.Com (officially known as "ORKA Food Technology ") is excited to launch a new product "Egg Tester Plus™" on November 30, 2022.

[Egg Tester Plus™](#) measures and calculates **Haugh unit, yolk color, egg weight and USDA Grade!** ORKA's newest product, [Egg Tester Plus™](#) is a new version of EggAnalyzer.

Main Features:

1. Electronically measures and **calculates egg weight, albumen height, yolk color, Haugh unit and USDA grade** with one unit.
2. Displays and prints measured values and calculated values.
3. Extremely high accuracy.
4. Constantly stable measurement, not depending upon individual operators.
5. Shortens the measurement time (approx.**17 seconds** per set)
6. Proprietary Software compatible with an external PC
7. Unified data, data transportability
8. **Come with 2 ways of communication to PC:**
 - USB cable and Wi-Fi
9. Large internal memory – up to 32GB with SDHC card
10. **Large 3.5" color/graphic display** and more...
